

# iPad Takes Flight! ForeFlight Advanced Training

Maximize your proficiency and increase situational awareness. Attend this class to learn more advanced concepts, functions, and features in ForeFlight, the most popular aviation app among pilots. Many pilots are not proficient in its use, which can cause distraction and a dreaded violation. Don't be that pilot!

**Directions:** From I-25 and E. Arapahoe Rd., proceed east to S. Peoria St. Turn right. At the entrance to Centennial Airport, turn right. Continue around the control tower and eastward about one-half mile until you see the Aspen Flying Club sign on the right. Park anywhere in the lot north of the building.
